

Job Description

At Archtop Fiber, our mission is to be the true fiber of your community.

We believe in the power of local connectivity and dedication to bridging the digital divide in rural and suburban cities across the Hudson Valley and beyond. We have seen how larger cities often receive priority for broadband infrastructure upgrades, leaving smaller communities underserved. That's why we prioritize serving "Main Street" communities by investing up to \$350 million in private funding to build over 2,500 miles of fiber-optic infrastructure.

Our commitment extends beyond providing reliable Internet and Phone services – we're not just living and working in Kingston, NY we are fully committed to our awesome community. From our fantastic [community programs](#) to fueling economic growth with improved connectivity and an abundance of tech-driven jobs, we're all about bringing fun and excitement to our neck of the woods!
